About the ESF

The Emergency Service Foundation was established following the Ash Wednesday bushfires in 1983. The ESF operates as a Trust to provide immediate support for those who suffer hardship as a result of the death of a family member or injuries sustained in the line of duty. The ESF also delivers a number of programs and services across the emergency service sector.

Proceeds from the sale of Ashley will help fund the ESF's activities in Victoria:

- Welfare support
- Scholarships
- Annual Conference
- Learning and networking opportunities

Which benefit all volunteer and member agency staff across the emergency management sector.
