

ESF better together Luncheon

Wednesday 4 August 2021, MCC Members' Dining Room

You are invited...

Please join the Emergency Services Foundation, representatives from 14 Victorian emergency service agencies and business supporters at the inaugural ESF Better Together luncheon.

Taking place in the lead up to the AFL Emergency Services Match between Hawthorn and Collingwood, this is an opportunity to celebrate and acknowledge Victoria's 125,000 emergency service workers as we raise awareness through stories of lived experience about how their important work too often has a negative impact on mental health and wellbeing.

This is an opportunity to show your gratitude for our emergency service personnel and help ESF continue to protect those who protect us.

Date: Wednesday 4 August 2021
Time: 12.00pm - 3.00pm
Venue: MCC Members' Dining Room
MCG - Jolimont Terrace, East Melbourne
