

Tony's Trek

better together

Luncheon

Wednesday 10 May 2023, MCC Members' Dining Room

You are invited...

Please join the Emergency Services Foundation, members of the Emergency Services community and business supporters to celebrate the culmination of Tony's Trek and its important message that we need to protect those who protect us.

See Tony take the last steps on his incredible 1,500 km journey across Victoria as he enters the MCC Members Dining Room.

This is an opportunity to celebrate and acknowledge Victoria's 139,000 emergency service workers as we raise awareness through stories of lived experience about how their important work too often has a negative impact on mental health and wellbeing.

Date: Wednesday 10 May 2023
Time: 12.00pm - 3.00pm
Venue: MCC Members' Dining Room
MCG - Jolimont Terrace, East Melbourne
